At PeopleFinders, our goal is to provide useful information and insights about people in your life by aggregating public records and other online sources into in-depth reports.

PeopleFinders is not a consumer reporting agency and does not offer consumer reports. In other words, you understand that you cannot use any information from PeopleFinders to determine someone's eligibility for credit, insurance, employment, housing or any purpose that is covered by the Fair Credit Reporting Act.

Here are some examples for how you **can** use PeopleFinders:

- **Family** – Search for a long-lost relative or look up your parents in order to research your family tree.
- **Friends** – Learn more about new friends, track down old friends, or even check on your current social circles.
- **Parents of Your Kids' Friends** – Find information about parents that your kids carpool with, or the households they spend time at.
- **Dating & Relationships** – Look up someone you met online before your first in-person date or blind date.
- **Neighbors** – Find information about neighbors who recently moved in, or other people in your neighborhood.
- **Sex Offenders** – Look up your address, and find out if registered sex offenders live nearby.
- **Buyers or Sellers** – Learn more before buying, selling, or meeting someone from Craigslist or other online marketplaces.
- **Unknown Numbers** – Identify who is calling you by looking up the phone number, and get more information about them.

Here are some examples for how you **cannot** use PeopleFinders:

- **Employment Screening** – You cannot screen someone in order to hire, promote, fire, demote, or reassign them.
- **Household Worker Screening** – You cannot screen someone to hire them as a nanny, gardener, or other type of domestic worker.

### No criminal records found for Raymond

This report included an extensive search for criminal records that were digitally released as public records, covering thousands of jurisdictions at the local, state, and federal levels.

**What this could mean:**

- Also, some counties have not released their records in a digital format.
- In some situations, criminal records are not available because they have been sealed or expunged. When this occurs, only a handful of agencies are able to see the record, such as law enforcement, the military, and governmental agencies.
