## Retraction and Correction

We received an April 18, 2023 from Mark Siegel of The Siegel Law Firm LLC [attached here](#) containing certain information discussed in this video/post.

Mr. Siegel wrote that he represented “Old Glory Intellectual Property Holding Holdings, LLC.” However, a search at <https://ecorp.sos.ga.gov/BusinessSearch> did not identify any such company.

We are left to presume that Mr. Siegel meant “Old Glory Intellectual Property Holdings, LLC.”

Without a unique company Control Number for his alleged client, we found 23 “Old Glory...” listings at the Georgia Secretary of State’s Corporations Division. Similarly, we found 27 “Old Glory...” listings at the California Secretary of State at <https://bizfileonline.sos.ca.gov/search/business>

Therefore, in good faith we presume Mr. Siegel inadvertently misrepresented his client’s name, even though he has not extended us the same courtesy.

Despite this, we have no reason to believe that Siegel has made inaccurate statements in his Exhibit A, which we rely upon now as true, misidentifying his client excepted. From Mr. Siegel’s new information, It is evident that:

1. Multiple attorneys named “Michael P. Ring” exist.

In Georgia: <https://gabar.reliaguide.com/lawyer/30339-GA-Michael-Ring-249156>

In California: <https://apps.calbar.ca.gov/attorney/Licensee/Detail/95922>

2. Multiple “Old Glory Banks” exist?

In Georgia: It is not clear if “Old Glory Bank” is an operating company in Georgia. It would appear it might be a DOING BUSINESS AS (DBA), but Mr. Siegel did not say that. Since we provided the link to the Old Glory Bank (Oklahoma) press release, there could be no confusion regarding registered corporations as it would appear that there is no registered corporation named “Old Glory Bank” in Georgia, reasonably speaking.

In Oklahoma: <https://www.sos.ok.gov/corp/corplInformation.aspx?id=1100057749>  
<https://oldglorybank.com/press>

We apologize for inadvertently confusing the two Georgia and California attorneys with the same names Michael P. Ring.

We apologize for inadvertently confusing the two banks (?) with the same “Old Glory” names.

We gladly retract our statements identified in Mr. Siegel’s letter under his “TRUTH” column.

Sincerely,

Michael McKibben  
Douglas Gabriel

Dear Messrs. Gabriel and McKibben:

We represent Old Glory Intellectual Property Holding Holdings, LLC (“Old Glory Bank”) with respect to its trademark and intellectual property matters. This letter concerns numerous false and misleading statements that you make on your Aim4Truth.org website and the related video available on your American Intelligence Media YouTube channel. As set forth below, you have published numerous false statements about Old Glory Bank and Michael P. Ring, which false statements constitute libel and slander under Georgia law.

We understand that you are responsible for the content of the website located at the URL aim4truth.org, including the content at the following page of this website:

<https://aim4truth.org/2022/11/18/beware-of-old-glory-bank-in-michigan-soon-everywhere/>

(“Website”). We also understand that you are responsible for the content of the video embedded at the foregoing page of your website, which is also available for viewing at the following YouTube link:

(“Video”). Both your Website and your Video contain numerous false statements regarding Old Glory Bank. We set forth several of the more damaging false statements in the attached Exhibit A.

These statements are causing Old Glory Bank and Mr. Ring actual harm. The article has been shared and re-posted on various social media platforms, expanding the scope of its reach far beyond your normal readership. One of Old Glory Bank’s major investors has received inquiries expressing concern based upon your false statements, and is concerned

about his own reputation in light of the false allegations in your article. Notwithstanding the actual reputational harm that Mr. Ring and Old Glory Bank are suffering, because your false statements include “charges against another in reference to his trade, office, or profession”, they constitute libel and slander *per se* under Georgia law. O.C.G.A. §51-4-4. As a result, our clients will not be required to prove any special damages in order to recover punitive damages.

On behalf of Old Glory Bank and Michael P. Ring, pursuant to O.C.G.A. § 51-5-11, **we hereby demand that you retract the foregoing false statements from the Website and Video and correct the false statements with the truth in as conspicuous and public a manner as that in which the false statements were published within seven days.** Failure to do so may result in an award of punitive damages for your willful publication of false and defamatory statements as well as compensation for any actual harm that my clients suffer. We will also seek to recover all costs and attorney’s fees for your willful publication of these false and defamatory statements.

Sincerely,  
The Seigel Law Firm LLC

FALSE STATEMENT	TRUTH
<p>“OLD GLORY BANK appears to be a banking scam associated with GLORIFI to lure unsuspecting patriots into a USURY digital currency prison.” [Website.]</p>	<p>Old Glory Bank is not related to the GloriFi trademarks or company in any manner.</p> <p>The Old Glory trademarks are owned by Old Glory Intellectual Property Holdings, LLC, a Georgia limited liability company located in Atlanta, Georgia.</p> <p>The Glorifi trademark applications are owned by With Purpose, Inc., a Delaware corporation located in Dallas, Texas.</p>
<p>MICHAEL RING IS NOT EVEN ADMITTED TO PRACTICE LAW IN GEORGIA (<b>WHERE HE IS THE AGENT FOR OLD GLORY BANK</b>), ONLY CALIFORNIA AND NEW YORK. [Website.]</p>	<p>Michael Patrick Ring is licensed to practice law in Georgia. As seen on the State Bar of Georgia <a href="#">website</a>, Mr. Ring is an Active Member in Good Standing and has been since 1997. <p>“Michael P. <p>“OLD GLORY BANK appears to be an adjunct to CANDACE OWENS’ confidence trick GLORIFI” [Website]</p>	<p>Old Glory Bank is not associated or affiliated with GloriFi or Candace Ownes in any way.</p>
<p>“Michael Ring is not listed on any CA 9<sup>th</sup> Circuit cases in 1981 – so his representation on his website is fraudulent/malpractice.” [Website.]</p>	<p>Michael P. <p>On the surface, Larry Elder is promoting it, Dr. Ben Carson, several country singers, it’s got a star-studded set of people on its board of directors and shareholders. [Video @ 1:20-1:25.]</p>	<p>Old Glory Bank is not promoted by, affiliated with, or associated with Larry Elder or Dr. Ben Carson, and has no “stars” on its board of directors or members.</p>

We looked at the backgrounds of the attorneys involved with the setup and we discover a very politically active attorney who's acting as the agent for the trademarks of Old Glory Bank out of Georgia. So then we looked at the Georgia corporate records and discovered the holding company that holds the rights to the logos and then we saw the name of an attorney from California who was the agent in charge of holding these trademarks. And then when we looked at that guy's background, low and behold, he has no experience in trademarks, he has no experience running companies, he is a labor attorney in California and he lists on his website a number of different courts where he has litigated cases. We have people looking at those cases, probably maybe a total of fifteen cases which he ballyhoos as his experience. [Video @ 1:20-1:25.]

As noted above, Michael P. Ring is an active member in good standing of the State Bar of Georgia. His firm is located in Atlanta, Georgia. Mr. Ring has extensive corporate counsel experience.

The Michael P. Ring who practices labor law in California is not associated or affiliated in any way with Old Glory Bank, Michael P. Ring of Georgia, or The Ring Firm.

And so what we are seeing here is yet another operation that is attempting to fool patriots by putting all the right words on a piece of paper about this is a bank you can go to and you can trust and they won't ever dismiss you as a client and blah blah blah blah blah. All the things you want to hear on their promotion but when you actually look at it it's the same old same old, and because it's using Old Glory Bank that reminded us of the recent expose of Candace Owens who identified herself with this new credit card - MasterCard - called GloriFi. And so what we're seeing here - Oh and the other thing that's really key about this press release of this Old Glory is that they call it the first digital first banking solutions from sea to shining sea. [Laughter.] I saw you roll your eyes.

Old Glory Bank is not associated or affiliated in any way with Candace Owens or GloriFi.

So they're out there to push the digital currency on all the patriots. And they must think patriots are dumb as rocks, that they'll get all jazzed up by the flowery words on their press release

Old Glory Bank is not "pushing" a digital currency. Rather it provides secure online banking solutions for it customers.
